Research Project – Meeting Challenges

Instructions

Using the internet, look up famous people who have had to overcome a major challenge in their life due to a physical or mental disability or some other hardship.

When doing your research, keep the following questions in mind to help you brainstorm your famous person:

1. Who is the person and why are they famous?
2. What type of hardship/disability did they have to overcome?
3. What strategies did they use to overcome their hardship?
4. What support did they have? How did this support help?
5. What can you learn from this individual?

Requirements

- You must have some sort of graphic organizer that you used to brainstorm and collect your information
- You must include a rough copy of your report that has been peer edited
- Your report must follow the template on the back of the page
- Your final report must be typed, 12-14 font, and double spaced
- Use appropriate spelling and grammar
- You must include a references page, keep track of where you are getting your information
- Everything should be in your own words. DO NOT COPY and PASTE!
